

Spectacular Science

Friday, September 17 3:30-4:30

Youth Services Department

See the collapsible bottles,
flipping pennies, slime,
dancing raisins,
and other feats that are science.
We will let you create your own
FLUBBER!
(Think home-made silly-putty!)

All ages
are invited.

SCIENCE
FESTIVAL™

*Our Spectacular Science family
program is part of the
North Carolina Science Festival.*

Check Out

www.ncsciencefestival.org

For all the fun science activities occurring across the
state.

September is Science Month.
