## ABOUT THE OUTREACH PROGRAM

We provide library materials to individuals who have a love for reading, but have circumstances that prevent them from coming to the library. Every four weeks, the outreach specialist will deliver library materials to your home or senior living facility. You may request specific materials based on your individual interests. The program is free and enrollment is easy.

Everyone should have the opportunity to experience all the library has to offer. We can bring books, dvds or audiobooks for you to enjoy.
