

Doorstep Delivery

Bringing the library to you!

What is doorstep delivery?

Through our doorstep delivery program, we provide books, DVDs, audiobooks, magazines, and other library materials to those who love reading but are unable to visit the library. Every four weeks, our Outreach Specialist will select and deliver library materials to your home or senior living facility. You may request specific materials based on your interests. The service is free for Ashe County residents, and enrollment is simple!

Who is eligible?

- Anyone over the age of 65 who cannot drive themselves to the library
- Adults of any age who have a medical condition that prevents them from visiting the library
- Caregivers who are not able to leave their family member to visit the library

How do I enroll?

Call Reta at 336.846.2044 to get started! She will provide an enrollment form and discuss what kinds of library materials you wish to receive. We ask for basic information such as phone number, birth date, and physical address, as well as asking questions that help us get to know what you like to read, watch, and listen to.
