

## APPALACHIAN REGIONAL LIBRARY

### Circulation Policies

Revised and Approved 9-17-2020

#### I. LIBRARY CARDS

##### A. ADULTS

1. Any adult who lives, owns property, works, or attends school in Ashe, Watauga, or Wilkes County and can show documentation of the same along with a photo ID is eligible for a free library card. Residents of counties (including TN and VA) contiguous to ARL qualify for free library cards under the same terms. A newly-issued library card is valid for three years. When a card has expired, verification of eligibility may be required in order to update the card.

2. NON-RESIDENTS: Adults who do not live, own property, work, or attend school in the above listed counties are eligible to purchase a non-resident card. Proof of address and a photo ID is required. A non-resident card is good for one year and costs \$10 annually.

##### B. JUVENILES

1. Any child under the age of 18 may have a card in his/her own name. A custodial parent, legal guardian, or adult family member must provide his/her photo ID and address documentation to register the minor for a library account for which that adult takes full legal and financial responsibility. The responsible adult must have a library account in good standing and must be accompanied by the child at the time of registration. The adult and juvenile accounts will be grouped and notices for items on the child's card go to the responsible adult's address. Juvenile cards are valid for 3 years. When a card has expired, verification of eligibility may be required in order to update the card.

2. StudentAccess accounts: In collaboration with the public school systems in Ashe, Watauga, and Wilkes Counties, all children enrolled in these school systems have an account with ARL under their Student ID number. Teachers are also part of the StudentAccess program. (Students and teachers are allowed to have two accounts – a regular library card account and a StudentAccess account.) These accounts are created each year and parents may opt their child/children out. These are the parameters of the StudentAccess program:

- StudentAccess account holders may place holds and borrow items from any library in the Appalachian Regional Library system.
- StudentAccess accounts cannot place holds outside of ARL.
- Checkout limit is a maximum of 10 items (print and/or audiobooks).
- DVDs are not available for check out using these accounts.
- No overdue fines will be charged for these accounts.
- The patron/parents of StudentAccess accounts are responsible for lost or damaged book fees.

### **C. NC CARDINAL CARDHOLDERS**

NC Cardinal patrons with existing accounts in good standing have full borrowing privileges and may check out with the card from their home library. If such a patron wants an ARL card, the above-listed requirements apply.

### **D. PATRON RESPONSIBILITY**

Library cards should be treated with care. Patrons are held financially responsible for material checked out on their library cards or on cards for accounts for which they are responsible. Patrons are also financially responsible for items checked out on their cards when loaned to other people. A lost card should be reported immediately.

### **E. CARD USE**

A library card in good standing may be used to check out library materials, to place holds on library materials, and to use library computers. In lieu of the physical card, a photo ID plus proof of address may be shown, or the library bar code stored in a smart phone accompanied by verbal verification of additional information.

### **F. REPLACEMENT CARDS**

Proof of identity is required in order to issue a replacement card for adults 18 and older. Children under 18 must be accompanied by the responsible adult on the account to obtain a replacement card. Replacement cards cost \$1.00.

## **II. LIBRARY MATERIALS**

### **A. LOAN PERIODS, LIMITS, FINES**

See **Appendix A**

### **B. BLOCKED CARDS**

An individual patron who owes \$6.00 or more on his/her account is prohibited from checking out additional materials. If a family 'group' of cards owes \$30.00 in total, checkout privileges are suspended for all. If such a group has one or more cards in good standing, a combined total of 10 children's or teen books (no adult books and no DVDs) may be checked out at a time on the cards in good standing.

### **C. LOST OR DAMAGED MATERIALS**

1. If an item is lost or damaged, its replacement cost plus a \$3 processing fee must be paid by the card holder or responsible party. The item replacement cost is defined as the price of the item(s) as listed in the item or MARC record. With the permission of the County Librarian or a library manager, a lost item may be replaced with a NEW, IDENTICAL copy. The \$3 processing fee must still be paid in this case.

2. See **Appendix B** for replacement costs for items with no price in the item or MARC record.
